Dušan Aleksić

Frontend Developer

I am a enthusiastic and engaged with the work that I perform everyday tasks and very much enjoy to develop my skills in Information Technologies, and to gain experience and professional success. Front End Developer with five years of experience working with JavaScript, HTML/CSS, React and Node.js to deliver exceptional customer experiences. Adept at contributing to a highly collaborative work environment, and determining customer satisfaction. I like teamwork and take pleasure in finding elegant solutions to complex problems. Experience in building and maintaining responsive websites in eCommerce Shop, B2B portals. Proficient in HTML, CSS, React, Node.js, PHP, Laravel, JavaScript... Passionate about usability and possess working knowledge.
